

St. Merkorious Charity

Sharing the bread

Issue 2. May 2017

At St Merkorious Charity, we feed the poor in order to relieve them of the misery that builds up when hunger consumes every waking moment with thoughts of desperation and futility. Our feeding program opens the way for people to realise that they are not forgotten, and that someone cares enough to visit them, talk to them, and support them in their time of need.

PFS Accountants Charity Dinner 2017

On the 1st of April 2017, PFS Accountants held their first major charity event, and what a night it turned out to be. A big thank you to Danny, Charlie and the PFS team for the amazing work you have done for us.

Your support and generosity is greatly appreciated and we look forward to working with you soon.

We are extremely honoured to announce that after the event, PFS was able to donate a total of \$73,800 for all of the charities and causes involved on the night.

Fairfield Service (August 2016-2017)

While St Merkorious Charity currently has its headquarters in South Strathfield, the reach of its services has always moved beyond the immediate area into the broader Sydney Community. Each week we provide a free community meal in Fairfield Community Hall. Free haircuts are provided by our wonderful volunteers, along with free coffee, tea and biscuits. Soon after, a free delicious meal - cooked at our Centre in Strathfield is served. Pre-loved clothes, soft background music, interaction with the community, raffle draws and prizes are all a part of the day.

If you would like to donate secondhand clothing, furniture and electronics or volunteer for the day, please contact the office on (02) 9799 9954. Your help and support would be greatly appreciated.
